MBRA Series Event (Double Points)

The Course

The route follows a smooth, scenic, lightly traveled road out to Eden and back. It has a tough mixture of short hills, long hills, and windy plateaus. Pavement is good and clean enough that we've considered dispensing with wheel cars but we'll have them anyway. Use Google Earth to check out the course. Type "Eden, Montana" and follow the only paved road (headed north). The course will be open to vehicular traffic and the centerline rule will be enforced at all times, this includes the finish. Racers must follow traffic laws.

Staging

Broadwater Bay Park in Gt Falls next to MacKenzie River Pizza. (see map). Please do not park in the boat trailer parking area or the MacKenzie lot. Overflow parking located across the RR tracks. Restrooms- use City park restrooms on north end of staging area.
