MBRA Cyclocross Series Race #9

HELD UNDER USA CYCLING PERMIT
RACE HELD RAIN OR SHINE

USCF Official: Tim Bechtold

The Course: This criterium-like course is flat and fast, with lap lengths of 3k (approx. six minutes). It features a nice mix of surfaces (60% dirt/gravel, 25% asphalt, 15% grass), and a few, minor technical challenges. It's a great opportunity for beginners to try out the sport, and for experienced 'crossers to race with intact groups. The venue is spectator-friendly, too, with numerous locations to view the action up close. Come out and join the fun!

Location: Dept. of Natural Resources & Conservation (DNRC) campus, Spurgin Road at 27th Avenue.

Directions: From the North (I-90) or South (Hwy. 93), take Reserve to Spurgin (six blocks north of South Ave.). Head west on Spurgin for two blocks. Entrance/parking is on 27th Avenue; ½ mile east of Rolling Thunder venue.
