

Jacobson-Schutte Racing
PRESENTS

The Rocky Mountain Roubaix

Saturday, April 26th, 2014
Frenchtown, Montana

Race sanctioned by USACycling
Chief Referee: Don Russell

USAC permit: pending

The Course: The racecourse will start at the Frenchtown Elementary School and will proceed west on the frontage road and will continue on Sixmile and Ninemile roads. The race will then consist of one or more laps on the Remount – West Ninemile – Ninemile roads loop (ridden in a clockwise direction). The racers will return to Frenchtown from this loop in the same way they went out. The race continues past Frenchtown Pond State Park and turns left onto Roman Cr. Road. The finish area approximately 2.6 miles past this intersection and is an uphill finish.

The road surface ranges from smooth asphalt to rural dirt roads. Racers can fully expect the roads to be littered with potholes, rocks and sections of broken asphalt. Sturdy tires and wheels are highly recommended. Support vehicles will be provided to each group, but racers are advised to carry spare tubes and a pump. The course will be open to vehicular traffic and the centerline rule will be enforced at all times, this includes the finish.

Racers will complete a total distance of 31 to 61 miles. Racers who are in the main groups may ride more than two abreast, but will remain to the right of the centerline at all times. Racers who are not in the main groups or otherwise out-of-contention will ride as far to the right hand side of the road as possible.

Registration:

Online Registration – USA Cycling: Closes 4-24-2014 11:59 pm.
